LORETTA A. PRESKA, USDJ

Dear Judge Preska:

Defendant Oluwaseun Adelekan, through counsel, respectfully submits this request to modify the conditions of his release to permit him to travel to Houston, Texas, from July 1, 2020 through July 8, 2020. Pretrial Services consents to the request and the Government defers to Pretrial.

If permitted, Mr. Adelekan will travel by car to Houston, Texas with Gifty Ansah, the mother of his son, and their child. In Houston, they will stay with Ms. Ansah's friend Emily Witty at her home. Ms. Witty's address and phone number and Ms. Ansah's phone number have been provided to Pretrial Services. The reason for the travel is that Ms. Ansah is moving with the child to Houston and Mr. Adelekan would like to accompany her to help her get settled and to see where they will be living.

Pretrial Services reports that Mr. Adelekan's supervision has been reduced to web reporting and that he is in full compliance with the terms of his release.

Thank you for your consideration of this request.

Respectfully,
